ASSISTANT SECRETARY TO GOVERNMENT

HOME DEPARTMENT

M. No. 734/Aut/49, dated 13th May 1949.

Sir,

Sub: Police - Motor Transport - Police lorries M.D.X.1028, 1060, 1061, 11 and 888 and Police Jeep M.S.P.748 of the South Kanara District - Purchase of tyres and tubes - Expenditure - Sanction requested.

***

I request the Government to sanction an expenditure of Rs.6816-5-0 (Rupees six thousand eight hundred and sixteen and annas five only) on the purchase of 25 tyres and 25 tubes for Police lorries M.D.X.1028, 1060, 1061, 11 and 888 and Police Jeep M.S.P. 748 of the South Kanara District.

2. The tyres and tubes of these vehicles had to be replaced urgently after fair wear and tear. As it would take some more time before tyres and tubes are supplied to the District Superintendents of Police etc. in accordance with the new system of purchase through the India Store Department, that is being arranged, I permitted the District Superintendent of Police, South Kanara, to purchase the tyres and tubes required, from the Firm which gives the lowest quotation after inviting quotations from local and Madras Firms. The District Superintendent of Police has purchased the articles from Messrs. The Canara Sales Corporation, Ltd., Mangalore, whose quotations were the lowest, at a cost of Rs.6816-5-0 - vide copy of the bill of the company enclosed. As the sum total expenditure exceeds my powers of sanction, I am submitting this for the sanction of the Government.

3. I also request the Government to approve of my action in having permitted the District Superintendent of Police, South Kanara to purchase the tyres and tubes in anticipation of the sanction of the Government.

4. The expenditure will be met from the appropriation under "29.C. Police - District Executive Force - A. District Police - I. Ordinary Areas - 5. Contingencies - Voted - Transport charges".

Sir,

Ref: Home Department Memorandum No. 42023 J/48-4, dated 20-6-1949.

ASSISTANT SECRETARY TO GOVERNMENT
25 JAN 1950
HOME DEPARTMENT

The District Superintendent of Police, South Kanara invited quotations from Messrs. Firestone Tyre and Rubber Company of India Limited., Indian Super Tyres Limited., and Simpson and Company Limited., Madras and copies of the replies received from these firms in December 1948, January 1949 and February 1949 are enclosed.

2. The District Superintendent of Police has reported that he had to place an order very urgently with a local firm for the tyres and tubes in question in the circumstances already reported in my letter Rc.No. 734/Accts/49 dated 13-5-1949.

3. The cost of tyres and tubes in Madras firms in March 1949 was ascertained to be as follows.--

		Price per article. Rs.	A.	P.
Tyre of size	32 x 6	210	12	0
Tube "	"	20	9	0
Tyre "	30 x 5	134	14	0
Tube "	"	15	2	0

(Sales tax extra)

The slight increase in the prices in March 1949 as compared with the quotations received by the District Superintendent of Police is due to the general increase in the prices of these articles.

4. Even though the tyres and tubes were urgently required the District Superintendent of Police should have observed the elementary principle in the matter of accepting the lowest quotation including the rates ~~of~~ furnished by Madras Firms. Had he done so, he could have purchased the entire lot of the tyres and tubes at about Rs.5,970/- including Sales Tax. Any how he has now taken up the matter with the local firm from which he actually purchased the tyres and tubes, and the local Firm have now consented to charge at the same rates as prevailed at Madras during March 1949 and have sent a revised bill for Rs.6,061-10-6 (copy enclosed) including an additional sales tax of Rs.93-4-0. I consider the offer to be reasonable and request the Government to sanction the purchase of the 25 tyres and 25 tubes in question at a cost not exceeding Rs.6,100/-.

P.T.O.

5. I am taking necessary action in the matter against the concerned District Superintendent of Police.

In his letter at ℘11 C.F of G.O 764, Home, 23-2-49 the I.G reported that he had issued instructions to D.S.P's to invite quotations from Madras firms also whenever the question of purchase of tyres & tubes was considered by them. In the present case this procedure seems to have been followed. In the circumstances, it is not known why the D.S.P in this case purchased

4 Mileage Covered

The I.G. has accordingly submitted a statement of the mileage done by the tyres and tubes at p.13. c.f. with a certificate that he has personally satisfied himself that each item written off has become unserviceable in the ordinary course through proper usage or by fair wear and tear. No remarks seem called for in respect of this statement.

5 Whether quotations were invited

The I.G. of Police reports that the D.S.P. South Kanara invited quotations from three firms inMadras. But finally purchase was made from a local firm viz., Canara Sales Corporation, Mangalore. The I.G. says that though the tyres and tubes were urgently required, the D.S.P. should have observed the elementary principle in the matter of accepting the lowest quotation including the rates furnished by the Madras Firms and that had he done so, he should have purchased the entire lot at about Rs.5,970 including Sales Tax. (instead of at Rs.6816-5-0). He has added that any how D.S.P. has now taken up the matter with the local firm who are reported to have consented to charge at the same rates as prevailed at Madras during March 1949 and to have sent a revised bill for Rs.6061-10-6 including an additional sales tax of Rs.93-4-0. The I.G. considers this reasonable and requests the Govt. to sanction the purchase of 25 tyres and 25 tubes at a cost not exceeding Rs.6,100. He has also
